

Connecting you with local resources when you need it most.

How Can It Help?

- LOCAL resources for Richland County
- Help for you, or someone you know
- Access to food resources
- Access to housing resources
- Access to Crisis Counselors
- Support when you have Suicidal Feelings
- Support when you have Anxiety & Depression
- Abuse and Violence Intervention
- and more....

How It Works?

- Click “Get Resources” for LOCAL Richland County, regional, state, and national resources
- Click “Crisis Text Line” to connect with a live mental health counselor 24/7

Download the app today using one of the QR codes.

Use access code: RichlandCounty

This app is made possible through funding and partnership between the Western Montana Professional Learning Collaborative and the Montana Small Schools Alliance, and STOPit Solutions.
