

FIRST TIME ATTENDEES! WE WANT YOU...

to attend the 2009 MT 4-H Leadership Forum in Sidney, Sept. 25 - 26

Through a grant from National 4-H & Monsanto, the Montana 4-H Council will be offering 28 registration scholarships to first time attendees. Please complete the leadership forum registration form and the bottom of this flyer then send them together to the address on the registration form along with your check. The first 28 first time attendees who submit their registration forms and attend will be reimbursed the regular registration fee (not any additional late fees). This is a great opportunity to come learn, laugh and mingle with other 4-H adult and youth leaders from across the state!

Please complete the section below and return this form along with your registration form and check.
