Reviewed Agenda: The agenda was reviewed.

Governor's Reopening & Richland County – Brittney Petersen

- a) Brittney spoke on the Board of Health Order and we will keep with Governor's directive so we can end or extend through Board of Health. There was not a quorum so we couldn't vote on it.
- b) What are some ways the Board would like to see message of Covid-19 reopening being sent out for Richland County? Some ideas are: 1) The Board of Health Order posted in County Offices 2) Message boards at Chamber, Sidney Middle School, Mid-Rivers, and Richland Federal Credit Union and get Road Departments LED board set up 3) PSA's on radio stations (make sure information is shared on the radio station that does the Saturday night drag main event 4) Bulletin Boards and Ads in the newspapers

The messaging will need to be consistent and if anyone gets questions please refer them to the hotline # 406-433-6947. As a County we cannot do more than the Governor's directives.

- c) Supporting for Community during Reopening there will be an invite for a community call for stakeholders for reopening on Wednesday April 29th, 2020 at 1 PM.
- d) Next steps will be to hold another meeting on Monday May 4, 2020 in the afternoon. Brittney will make sure to reach out to Jacquelyn and Shane will reach out to MACo so they can be on the call to make a Public comment

Public Comment - None
